

INERTIA' 22

PIEAS Society for Physics arranged an introductory event INERTIA' 22 on November 3, 2022. Dr. Aslam Baig, Head Laser Plasma Physics, National Centre for Physics (NCP) was the chief guest. The event included planned activities that demonstrated the magic and beauty behind the intricate laws of our universe. The chief guest appreciated the role of society in creating awareness about the advancement in Physics through their newsletter and activities. Director CMS, Dr. Shahid Qamar and Head DPAM, Dr. Shakeel ur Rehman were also present on the occasion.
